

## PRESS RELEASE

Date: 17<sup>th</sup> May 2010

### **METIS LOOK TO THE FUTURE 'WISELY' WITH SENECA**

Dynamic Leeds based legal practice, Metis Law LLP have chosen Seneca from **emis intellectual technology™** as their new Case and Practice Management solution. The decision came after close evaluation of a solution by Cognito, but Seneca stood out as the more favourable option over the Cognito upgrade.

In times of substantial growth, Metis Law LLP will be relying on Seneca to help manage all aspects of client cases, accounts, marketing and personnel information, highlighting Seneca's flexibility in that only one system was needed to fulfil their entire practice functions.

The **emis intellectual technology™** team will be on hand to Support Metis Law LLP at every step of the way when they Go Live with Seneca this summer.
