## SENECA GIVES VISTA A CLEAR VIEW

Stockport based value added employment consultancy Vista employment services are just going live with Seneca CM from **emis intellectual technology**

Vista, a team of barristers providing specialist retained employment advice to major plcs across the UK will be using the system with a particular focus on document management and the marketing and sales of their services to their prestigious client base.

Darren Maw of Vista explained:

*"We looked at a number of systems especially from the document management perspective. Seneca's flexibility means it can meet our very specialist needs from both a commercial and legal perspective."*

Chris Spencer, emis' Development Director commented:

*"This is another example of why we're growing so rapidly - flexible technology that's easy to personalise during implementation and afterwards to match exactly how clients work"*
