

PRESS RELEASE

Date:

July 2007

ALL CHANGE (FOR THE BETTER) AT EMIS IT

As part of its ongoing improvement of processes (see Press Release April 2007 on ISO 27001) **emis** intellectual technology™ will be reorganising further in July 2007.

For all existing Seneca users this should be totally transparent:

- staff will relocate to emis' Fulford Grange premises;
- all telephone numbers, postal and email addresses will remain the same.

However, the emis intellectual technology teams will be physically working alongside the appropriate teams for sister divisions EMIS Health (see www.emis-online.com) and egton education (see www.egton-education.com). This will allow the provision of additional development, testing, implementation and support resources during peak times.

In a similar way, emis intellectual technology sales will be centralised under the management of Paul Banks, Business Development Director of Egton Software Services (see www.egtonsoftware.com) based at Arch Barn, Estate Yard, Harewood, Leeds, LS17 9LF.

Paul can be contacted as follows:

Direct: 0113 218 1096

Mobile: 07825 264138

Email: paul.banks@egtonsoftware.com

Fax: 0113 387 3097

For maps of our new locations please refer to <http://www.emis-online.com/about-us/directions/>
